

General Safety Tips on The Internet

Don't add people to your MSN or Facebook friends list unless you know them

Check you privacy settings – who can see your info?

Never give ANY personal details online

If you are being cyberbullied keep all evidence and tell a trusted adult or use the 'report it' button

Block anybody who sends you stuff you don't like

Don't reply to abusive emails, messages or tweets

Regularly check and clean out your friends list on social networking sites (like Facebook)

Think before you send a message – it could seem harsh or hurtful to someone else

Never meet anyone you have only met online

Think twice before putting your photo online – people can copy it, change it and send it to others.

If you receive a message that worries you while on a social networking site and you think it is really unacceptable – use the report abuse button on the site.
