Dear Pank,

We would like to congratulate you, your staff, Governors and pupils on the success of your work leading up to the recent inspection. We are delighted that the inspection team graded the school as 'Good' in all areas.

We were particularly pleased to read how you have all made considerable improvements since your last inspection particularly in safeguarding. It is most impressive that the school has made rapid improvements over the past year to establish and embed a culture of Safeguarding which is now recognised as exemplary.

We are under no illusion about how hard your staff and you have had to work to achieve this result. However, we also realise that your continuing commitment to your pupils and their families is long-term and not simply for one inspection cycle.

Please pass on to your staff and Governors our thanks for all their hard work and once again, congratulations.

Best Wishes,

Jim Leivers
