Crescent Newsletter

Volume 1, Issue 1

December 2015

Welcome back!

I would just like to say a huge welcome back to you all after the summer holidays and I trust you had an extremely enjoyable break.

This year is going to be, in some ways strange as we say good bye to the old houses and welcome the new ones but also exciting and I'm convinced will go faster than any other year that I've been here.

I'm looking forward to being head of Crescent House and hoping that you are all going to do your house, the school and your families proud.

I don't know if you know, but I'm quite a competitive person and would love to see Crescent winning the attendance competition, sports day and all the inter-house competitions that go on so come on Crescent let's have it!

We've started off well winning the Year 7 Dodgeball tournament winners last half term which was organised by sixth form students and the Crescent team led by Nathan Katanda!

Lewis Smallman is currently not with us

in school as he is being Billy Elliot in the West End in London so huge congratulations to him, Crescent House are very proud of you!

Huge thanks to the House Captains, Prefects, Ambassadors, Peer Mentors

and Transition Mentors for the great jobs they're doing so far. The ambassadors have had a very busy time with parents evenings and open evenings but well done to them, they've had glowing reports.

Who's who? 3

Dates for your Diary!

◆ 17th December—

Key Stage 4 awards evening.

◆ 18th December —

Bethel Centre , break up for Christmas holiday.

◆ 6th January —

Back to school

We are Crescent Crocs!!

Sophie meeting Mr Banks and formally introducing him to the

The winning design!

As soon as we came back the competition to design the logos for the new houses began!

At the beginning of the term we had lots of amazing designs landing on the desks in the Crescent Pastoral office.

It was amazing the detail and thought that went into designing a new logo/mascot for the new house.

The designs were filtered down to the best 5 and then these were voted on and taken down to only two which were then sent for the students and staff to decide upon which one they wanted to represent their

house.

The winning design came from Sophie Haney in 8C1 and here she is (above) being congratulated by Mr. Banks on her winning design.

Crescent House Council Corner!

This years house council have had three meetings since being back and it's great to see their enthusiasm. Hopefully some of the issue raised have been addressed.

We have also taken a vote to decide on the charities that the house is going to raise money for this year, which are: Cancer Research and Help for Heroes.

Who's who?
