1. I will not access inappropriate material in the academy via external media or downloaded from the internet, neither will I store such material on academy devices nor network shared drives. This includes (but is not exhaustive to):
  - 1.1. Any files or folders containing unsuitable content or offensive language.
  - 1.2. Any files which violate copyright law. Downloaded/ripped content such as videos, music or software.
  - 1.3. Any files or folders that promote any activity contrary to the ethos of George Salter Academy (E.g. bullying, racism, terrorism etc.)
  - 1.4. Any games with the exception of those I have created myself or are related to teaching and learning.

4. I will use the Internet responsibly and will not visit websites which may contain materials considered inappropriate.

9. I will not use harassing or threatening language in any form of communication (e.g. the sending of emails).
10. I will not damage the ICT facilities or take ICT equipment from rooms without prior permission.
11. I will only install software and apps on academy devices for which I have permission to do so and the appropriate license is in place.
12. I will not intentionally damage computer software (e.g. by knowingly bringing in a virus on a device and introducing it onto the academy system) and will take preventative measures (e.g. do not open or download any email attachments from email addresses, and more importantly, people you do not recognise).

- 17. I will never arrange to meet someone I have only ever previously met on the Internet or by email or on social media, unless I take a trusted adult with me.
- 18. I am aware that some websites and social networks have age restrictions and I should respect this.

In addition **staff, governors and visitors** also agree to the following:

- 25. I will ensure that my personal social network pages are sufficiently protected so as not to allow any parents or students to access personal information, comments or photographs. It is recommended that Facebook pages are set to 'Friends' thus preventing them being viewed by the general public.
- 26. I will not accept current students on roll as friends on any social networking site (e.g. Facebook, Twitter etc.) as this can leave me open to false claims and put me in a vulnerable position. Staff should also not signpost students to their personal 'YouTube' accounts.
- 27. I will not use a social network site, the internet or personal blogs etc. in such a manner that the content offends colleagues or brings the academy into disrepute.

In addition **parents and carers** also agree to the following:

- 28. I am responsible for the content my child accesses on academy devices when they are used at home.
- 29. I am responsible for setting up parental controls on my home internet connection, to prevent my child accessing inappropriate content on academy devices.
