

Primary Sports Programme

**GEORGE
SALTER
ACADEMY**

Overview

At George Salter we actively promote sports and competition from our feeder primary schools. We offer year round competitions to feed into regional and national pathways. All details of competitions and leadership programmes can be found on this page.

The schools we work with are from West Bromwich Learning Community:

- Eaton Valley Primary School
- Guns Village Primary School
- Hargate Primary School
- Holy Trinity Primary School
- Lodge Primary School
- Lyng Primary School
- King George V Primary School
- Newtown Primary School
- Ryders Green Primary School
- St John Bosco
- Hateley Heath Primary School
- Holy Name Primary

Primary Competitions 2015

Hockey Tournament:

- St John Boscoe (Winners), Lodge Primary School (Runners-Up)

Congratulations to them and to everyone who took part in the activities.

Leadership

We work in partnership with Street Games UK as the George Salter V project.

StreetGames is a sports charity that changes lives and communities. We do it by supporting a network of projects which give sports and volunteering opportunities to young people in communities across the UK.

This sees 20 young people volunteering within sports at the academy and local community.
