

Religious Education

**GEORGE
SALTER
ACADEMY**

Overview

The RE Department at George Salter Academy consists of highly motivated and enthusiastic teachers who are determined to ensure that all students succeed. It is a subject which has great relevance in today's society and enables all those who study it to appreciate and understand the diversity and importance of religion within a community.

Study Support

The RE Department offers a number of study support sessions for students across different year groups. Key Stage 4 and 5 students are well supported in preparation for their examinations with after school revision, twilight sessions, and holiday activities.

Trips

There are numerous opportunities for RE trips across all Key Stages throughout the academic year. In the last few years, we have led trips to local places of worship, the Houses of Parliament in London, and a residential to Rome.

In this coming year there are lots of exciting trips planned: trips to an Eco-Centre in Wales, trips to the theatre and lots more.

There are also further extra-curricular opportunities in the Department, such as visits to local places of worship and trips to the Birmingham Hippodrome Theatre to see "Jesus Christ Superstar".

What the students say about the department

"RE is about sharing your own opinions but listening to others viewpoints. Its where you can get your point across without being afraid."

"The teachers really care about us."
