**GEORGE
SALTER
ACADEMY**

Overview

The World languages department consists of 3 full time members of staff and 2 part time members of staff along with a community languages team delivering Bengali, Polish and Punjabi.

We offer French at Key stage 3, and both French and Spanish at key stage 4 and 5. Our community language program delivers lessons geared at Key stages 4 mainly but Key stage 5 as well for Punjabi.

The department is currently working in conjunction with Birmingham University on a project to promote the popularity and delivery of languages in schools.

Study Support

The department offers a wide range of Study Support opportunities across the Key Stages, which not only support students with their language learning experience, but also offer an insight into culture. We are currently running a number of extra-curricular clubs geared at improving independence in language learning (The Duddle Club), re-enforcing language basics (Arsenal Double Club) and broadening the cultural awareness of our students (World food and film clubs).

Rooming and Resources

The World Languages department has 4 classrooms that are specifically designated to the subject area. Rooms LA2, LA3, LA4, and ENT1 are all situated in the Trinity zone and have recently been refurbished.

All rooms are equipped with interactive whiteboards, dictionaries, full sets of Key Stage 3/4/5 textbooks (Allez, Zoom and AQA for GCSE), CDs and teacher's guides. The department also has 1 printer, sound equipment in each room and the use of MP3 recorders; all MFL teachers have a laptop that is issued to them by the school for planning and delivery purposes and all staff and students have access to Linguascope, Duddle Learn, Kerboodle online resources and GCSE POD.
