**GEORGE
SALTER
ACADEMY**

Facilities

In our dedicated Sixth form block, students have the following facilities:

- **Learning resource Centre** - uniquely designed to offer students university style facilities to carry out independent study in a focused environment, including individual study booths, dedicated library section and IT facilities
- **Common room** – social area with comfortable seating and group work facilities. Including vending machines with confectionary, hot and cold drinks
- **12 Dedicated Classrooms** – Specialist classrooms designed with subject specific resources, all fully equipped and fitted with the latest interactive whiteboards, including 3 fully equipped computer suites.
- **3 coaching rooms** – small group teaching rooms designed for one-to-one and small group coaching.
- **Performing Arts room** – purpose built performance based, with wall length mirrors and performance lighting
- **Wifi** – in the whole block for students to access
